## Mapping My Day

**Directions** Create a historical map showing one day in your recent past. Include a title and key. Answer the questions below before drawing your map on a separate sheet of paper.

1. What day will you show on your historical map? Explain why you chose this day.

---

---

---

2. List all of the major events that happened to you on that day.

---

---

---

---

---

3. What icons will you use to stand for each event? Make a list here.

---

---

---

---

4. How will you show movement and the passage of time between events? (Think about arrows, dotted and solid lines, and numbers.)
